

Winter Warmers for Women's 1s

Saturday saw the first friendly back for the ladies 1s, after a number of weeks off matches and training.

There were a number of regular first team players unavailable, which gave a few of the 2s girls an opportunity to have a run out for the 1s.

The match, at home against Matlock, provided some periods of promise, alongside some decidedly shaky periods, due mainly to the length of time away. The girls could not be criticised for effort, however the match needed to be taken as development and a chance to blow away the cobwebs.

The final score was a 5-1 loss, with a number of Matlock's goals being scored in a short space of time, a period of lack of concentration from the Sheffield girls.

Many positives to be taken from the Saturday match, namely work rate and creating goal scoring opportunities.

Sunday saw a greater challenge for the Sheffield girls, playing Sunderland who are currently second in the National League.

There was a significant improvement on Saturday's performance, which coincided with the return of a number of the regular players.

Again, the effort and work rate was unquestioned, and the result far more promising.

After conceding an early goal, due to a penalty flick, the girls fought back and showed real determination to level the game.

The opposition were tough, and provided a great physical challenge for Sheffield, who stood their own.

All in all, a good weekend - from a disappointing result on Saturday the girls took on the advice and made the required improvements to produce a very respectable performance on Sunday.

Men's 1s Qualify For National Indoor Division Two

Sheffield hallaM Civica Men's 1s qualified for three 'super sixes' National Indoor Championship Division Two at the Bonus Arena in Hull last weekend.

They now play at the University of West England's Bristol base over the weekend of 22/23 January where a top two finish will earn them a place in Division 1 alongside Doncaster (assuming they stay in Div 1!) next season.

M1s finished in second place on goal difference after beating Havering, West Herts 4-3, Harborne 3-6, Kingston-upon-Hull 5-4 and drew 3-3 with division winners Cannock.

Along with Cannock and West Herts, M1s will meet Div Two South top three: Exeter University, Holcombe and Hampstead & Westminster; when they lay in Bristol.

Due to unforeseen circumstances there is no full newsletter this week.

Normal service will be resumed next Saturday 22 January 2011

EHL Men's North Conference

13.30 Sat 29 Jan 2011

at Abbeydale Park

SHEFFIELD HALLAM CIVICA

v

OLTON & WEST WARWICKS

The club would like all members to help wherever possible to raise funds. The more that is raised the less you pay in subscriptions and match fees!

To that end the club is currently signed up to

www.easyfundraising.org.uk

The website is a gateway to thousands of online retailers who pay a percentage of anything you buy to the club.

It's as simple as that!

It's also worth having a regular look at the easyfundraising website as retailers often have deals and special offers that may pay higher rates.

Earlier this year one club member earned the SHC £100 as a one off payment for taking out a new car insurance policy with Aviva in a special deal that was active for two months.

If you are intending to buy stuff and can't be bothered looking through all the online shops and you are making a significant (large!) purchase Andy Pettigrew is willing to do your searching for you just to show you what can be found and how much could be earned for the club by shopping this way.

If you are a regular rail or air traveller or frequently book hotels whether for business or pleasure you can book through easyfundraising and earn the club money.

The possibilities are endless!

A lot of the big retailers are there: Habitat, M&S, Amazon, ebay, all the supermarkets, and, by the way, if you have your shopping delivered from Sainsburys they will pay 50p to the club every time you have a delivery

For advice about using easyfundraising or if you do not have the time to search the retailers on the site but would like to buy through them contact Andy Pettigrew: mob: 07936 515230. email: andrew@pettigrew.co.uk

easysearch.org.uk

You can now raise funds when you search the web!

Use easysearch every time you search the Web and we'll give 50% of the fees paid by our advertising sponsors to Sheffield Hockey Club (Sheffield Hallam) - less info...

Use easysearch instead of Google or any other search engine and you can make a real difference to Sheffield Hockey Club (Sheffield Hallam). By making just 10 searches a day with easysearch, you can raise around £20 a year.

As well as raising funds, easysearch also gives you the best search results available on Web. Today, the Internet is so big that different search engines will deliver different results for the same search. So, by combining the strengths of several search engines together - Yahoo!, Bing, Ask.com, MIVA, and many more - you get the very best results in terms of accuracy and relevance, which means you'll find what you're looking for quickly and easily every time - all in one 'easy' search!

You are supporting: Sheffield Hockey Club (Sheffield Hallam)

"In two weeks internet searching by two of us using easysearch has earned £3.90 - doesn't sound very much but amount to about £80 in a year - if 10 of us do this = £400 per year; and so on!"

Grimsby

The 8ths return from their winter break.

Due to the weather and fixture gaps, our previous game had been on the 14 November, a gap of nearly 2 months, including Christmas, leaving us a bit apprehensive about our fitness levels. However, our opposition, Grimsby 2nd team were in a similar position. Grimsby on a January afternoon was as you would expect it, a bit blowy!! We had our team talk in the warmth of the changing rooms where Sven Goran Bettles produced his master stroke by playing a usual defender (Alex Ward) at centre forward. Alex responded by becoming the third player this season to register his first hat-trick for Sheffield.

We played Grimsby in the first match of the season and hammered them for the last 50 minutes although we were unfortunately 3-0 down after the first 20!! This time we were determined to get a better result to keep ourselves near the top of the table.

The early exchanges were fairly even before Grimsby scored from their first short corner with a well-struck shot beyond Jan in goal and just inside the post. We responded from our first short with what looked like a well worked

routine (at least that's what I was told by our team). Captain Nick's shot just outside the left post was touched in by Owen Carr moving from his injector's position.

Up front we had a bit of an Arsenal look about us as we tried to walk the ball into the net. We eventually took the lead after a scramble when Alex got his first after the keeper had tried to keep the ball out at least 3 times. This made the half-time score 2-1 to us.

Their half time talk obviously geed them up a bit as they came at us strongly but our second half defence, with Barry Jackson, or rather Owen's stick, making his seasonal debut after an illness scare and George Smith also making his first appearance of the season, held strong. We continued to look dangerous upfront and very few teams seem able to cope with our pace up front. This eventually tolled as the ball was worked around in their 'D' and Scott Turkington applied the finishing touch. I must comment Scott on his keenness to play which meant him needing to catch 2 trains just to get picked up at Sheffield station - another sign of the growing team spirit in the side.

Alex then added a fourth following another piece of inter passing in their 'D' which left him a tap-in. Grimsby gave themselves a glimmer of hope with a low strike into the bottom corner but we could have scored twice as many goals as we did. We had to be content with a third from Alex from one of our many attacks when we had men over.

The captain had a couple of good chances but didn't connect properly with the ball and the other forwards could have had more whilst Jan didn't have a lot to do in goal and we ran out comfortable winners.

Everything's now set up for next week's match against the League leaders, Wakefield, who have only lost one match and that was to us earlier in the season - a real 6-pointer!!

SHC INTERNAL COACH EDUCATION SESSIONS

To All Coaches and Managers

Internal Education sessions have been confirmed with our very own CCC coaches. This will be a great opportunity to learn from the very best!

Venue: Abbeydale

Sessions are aimed at coaches who are training our clubs young players: ie U18's

Malcolm will lead the first session on basic core skills which are relevant to any age group. Most importantly you can also pick up on the coaching styles of each coach. Anything to help right?

Bat will pick up where Malcolm finished with an intermediate session but it's still hockey so please don't be deterred!

Gaz will finish off the first round of these sessions with a focus on gameplay and small unit play. Again don't be deterred by the advanced label! any of our coaches and volunteers are welcome to all sessions. It is not often that you will get to learn from three England Hockey CCC's!

Dates are as follows:

COACH	DATE	TIME	MAIN FOCUS	SESSION DIFFICULTY	GROUP CONSTITUTION
Malcolm	18th January	5-6pm	Core Skills, GK's	Basic (Ps6-U12)	School Staff & Club Staff
Bat	6th February	3:30-4:30pm	Core Skills	Intermediate (U12-U18)	Club Coaches and managers
Gaz	20th February	3:30-4:30pm	Core Skills	Advanced (U16-U18)	Club Coaches and managers

Please confirm your attendance to Each or All of the above sessions by emailing me (Simon) back in good time. I am in no mood to waste our coaches valuable time so would like all of our coaches to attend as a requirement, managers are guests (but I'm sure you will be keen) and we are also offering this opportunity to local teaching staff.

I look forward to hearing from all you eager coaches, assistants and managers

All the best

Simon Law - SHC HDO
